25X1X7 [REDACTED] Reports from the Office of the [REDACTED] 25X1X7

At the present time these reports cover only deliveries by Communist ships and ships from Communist ports. If these reports could be expanded to include deliveries by all ships to both Sihanoukville and Phnom Penh it would greatly improve our ability to follow the volume and composition of Cambodian imports.

2. The OER quarterly shipping reports on Cambodia are ~~SECRET/NO FOREIGN DISSEM~~. Only one report -- ER IN 68-58, May 1968, Shipping to Cambodia in the First Quarter of 1968 -- has been passed 25X1X7
